### Where's your birth certificate?

A birth certificate could decide if you get Social Security or an inheritance... even determine the amount of life insurance payments—as March Reader's Digest explains. You'd need one to prove citizenship for many good jobs... or to get a passport. And in some schools, a child needs a birth certificate just to attend classes! March Reader's Digest tells you what to do to get a birth certificate—even if there's no official record of your birth. Get your March Reader's Digest today: 40 articles of lasting interest, condensed from leading magazines, current books.
